

CARAM Asia Task Force on Migration, Development and Globalization

Strategic Plan 2021 TO 2024

Brief Introduction of Task Force:

Migration is globular in nature and is heavily influenced by neoliberal policies and structures which impacts outcomes for migrant workers especially their rights and well-being. This taskforce aims at linking and filling the gaps in the current migration and development discourses by adequately addressing the impact of migrant worker's rights and health in the context of globalisation. Activities will include strengthening the analysis, perspectives, and awareness on globalisation/ World Trade Organisation (WTO) / International Financial Institutions (IFIs) policies on migration right and health; the impact and implication of migrant worker's wellbeing through the privatisation process in healthcare and developing global action on debt and poverty to reduce all vulnerabilities in migration.
